## My Superpowers

- Teamwork – As a monitor of the class since my early education, I always try to build a sense of coordination and cooperation between my classmates in different events.
- Accuracy – As a student, I am good in academics.
- Self Confidence – My willingness to do something makes me self-confident.
- Self-Motivation – I am practical in nature, practical thinking of different circumstances makes me self-motivate.
- Quick Learner – I almost learn 70% of my academic syllabus from lectures in the class only.

## I Am Green Blooded because...

According to me Deloitte should invest in me as I am a fresh blood, completely aiming at achieving great heights with a lot of aspirations. Thus, not only will I achieve my goals but most importantly the company's goals. I'm still a college student, but believes in doing something great.
